The Cell has published Two edited Books within this year. We are indebted to our G.B for sanctioning Rs.30,000/- in this regard.

I feel proud to inform that our institution is the only institution across North Bengal which is accredited by ISO 21001: 2018 and also ISO 9001:2015 for quality management in education. The management takes keen interest and stands behind any of such endeavour. Our teachers are committed and dedicated for the development of the institution by imparting their knowledge and play the role of facilitator as well as role model in materializing our mission & goals. We believe that education should not only be a device to secure a paper qualification but it should rather be a broad based civilizing process nurturing and stimulating talent and civil etiquettes.

For me as a Principal, progress of an institute depends mainly on performance of the students in academic, sports and cultural activities along with maintaining high values and ethics. The management is highly supportive for the overall development of students, staff and faculty. Even if, we are only Two Years old in NCC, 5 of our NCC Cadets are selected from 16th Bengal NCC Battalion to represent at the RDC Parade 2022 and also 1 NCC Cadet is selected to Represent India in E – International Cultural Exchange Program 2021 in Singapore.
