Babita Prasad

Letter of Appreciation

Dear Leader,

On behalf of 'Pledge for Life' team, we would like to thank you and your NSS unit for supporting the **Spit Free India Movement**.

During this Corona crisis, experts determined that spitting spreads the virus. Chewing tobacco, gutkha, khaini, etc cause the urge to spit and hence the Government, under the Disaster Management Act 2005 gave the order to stop spitting in public places and the Prime Minister, Shri Narendra Modi, himself, urged the public to do so too.

The National Service Scheme (NSS) is supporting the Spitting Kills campaign wherein NSS Volunteers created awareness among public on the issue. This appreciation letter is issued because your NSS Unit has till 25th Oct 2020 got 3526 persons to fill in the Spitting Kills weblink.

Your timely action is saving the spread of Covid-19 as well as reducing the usage of chewing tobacco. We now look forward to your getting thousands more to fill the weblink.

Thank you for your service to society,
