Dear Dr. Chatterjee,

In reference to our collaborative research scheme grant no. **UGC-DAE-CSR-KC/CRS/19/MS05/0936 dated 10.05.2019**, I would request you to allot a time slot for materials preparation using your synthesis and X-ray diffraction facilities. This is because of an urgent need to finalize some samples for an upcoming measurement schedule elsewhere. Thanking you

Dear Dr. Chatterjee,

I'm writing to you in reference to our collaborative research scheme grant no. **UGC-DAE-CSR-KC/CRS/19/MS05/0936 dated 10.05.2019**. I would like to thank you for entertaining our last reschedule request. I would also like to inform that the urgent work mentioned previously is presently complete. Therefore, now I would request you to allot a time slot for materials preparation using your synthesis and X-ray diffraction facilities and dielectric experiments. The materials preparation is particularly urgent for upcoming experimental visits to Elettra and DESY in November and December. We would need at least one month to complete the materials preparation. I would therefore request you to kindly allot an appropriate time slot. Thanking you

REPORT ON STUDENT SEMINAR

A Seminar Presentation Program was organized by Department of Mathematics on 11th September, 2021 from 11am. to 5pm. at Google Meet. 27 students were presented at the seminar & 19 had presented their paper. Some students could not present their paper due to poor connection of Internet. The seminar started with a welcome speech by Smt. Sima Barman. Then each student started their presentation & after completing each presentation there was an interactive session to clarify their doubts, queries and questions. Departmental Teachers were given so many suggestions to their doubts. Some of the students presented their paper excellently. The purpose of the Seminar was to engage students in the integrated activities of research, discussion, advanced learning of the content of their syllabus and presenting their knowledge to all. Department appreciated all those students who participated in the seminar and making it a huge success.

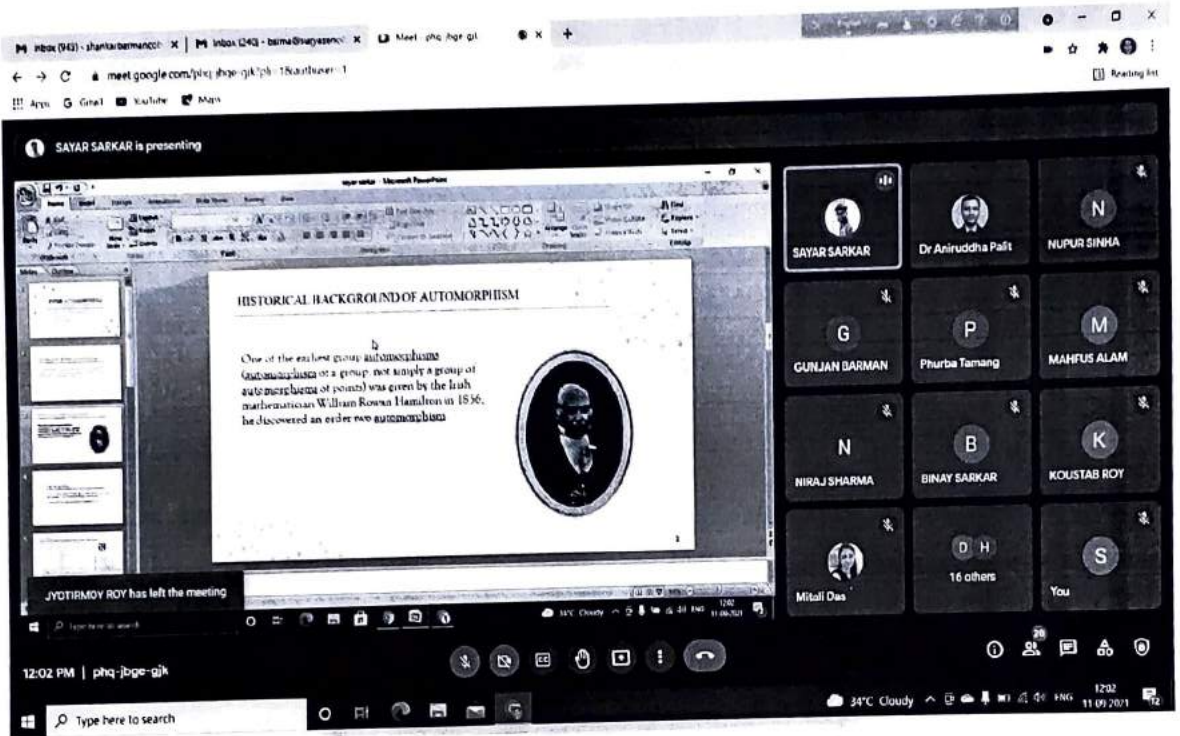

Student Presented their paper on the topic:
