Report of using ICT enabled teaching tools

The department extensively practices usage of advanced teaching techniques like ICT enabled tools. The department itself has a projector enabled classroom which is frequently used to deliver powerpoint lectures, demonstrate real time educative videos, illustrative models, pictures and data from the internet, etc. Not only this, the department also often uses the smart board enabled SKSM-Hall and smart screen enabled KCPM-Hall whenever required for lectures. It may be noted that ICT classes are already mandatorily included in the daily class routine. Following are some pictures of the activities.
